Chairperson- Niamh Valentine

Vice Chairperson- Martin Cunningham

Minutes/Secretary- Eimear McIntosh 15 minutes today

Reporter- Lorcan Smith Perez

Treasurer- Oisín Carr

Today's meeting was a great success and we got to hear all sorts of ideas from student council members of Primary one right up to Primary seven. It was great that our younger members of the council were not afraid to get involved and give their opinions.

1. Today we discussed the possibility for every class to get to watch a Halloween movie in school before the Halloween Holidays. The council suggested that we have a range of movie titles and then go round each class and complete a survey with the majority vote being chosen for each class for their movie choice.
2. After School Clubs. The student council are really enjoying the wide range and variety of after school clubs that are being offered to all pupils of Sacred Heart. For the next block of after school activities the Student Council have put forward a few ideas. The possibility of a cookery and kickboxing class seemed popular choices among the council team.
3. The student council were also very pleased to see that the Choir will soon be up and running again and are very eager to get started. During today's meeting there were also mentions of possible Guitar/Tin whistle lessons being made available to the pupils.
4. The last thing discussed was Christmas activities. The pupils in the School Council are extremely eager to get a Secret Santa set up for all classes on the lead up to Christmas with a maximum spending of £5. The council are also hoping that a school play will be an option this year alongside a Christmas Disco.
