Chairperson- Niamh Valentine

Vice Chairperson- Martin Cunningham

Minutes/Secretary- Eimear McIntosh 15 minutes gathered today

Reporter- Lorcan Smith-Perez

Treasurer- Oisin Carr

Today we had another school council meeting which was very successful with the planning of some great initiatives in the coming weeks. All members were in attendance which was great and everyone voiced their opinions. Our Vice Chairperson Martin Cunningham made us aware of a great charitable initiative the whole school can take part in on the lead up to Christmas.

1. Sight Loss Charity Fundraising- This initiative is for supporting sight loss and partial sight loss which is a charity very close to Sacred Heart. The great thing about this initiative is it promotes recycling and also provides £20 to the charity for every kg of stamps collected. Martin's mother has kindly ordered the school two boxes so that the whole school can get behind this great cause. It is the responsibility of the Student Council to ensure their class are collecting stamps.
2. School Council Non Uniform Fundraising Day- The School Council have come together and suggested that all of Sacred Heart Primary School take part in a fundraising day for Saint Vincent De Paul (SVP) Charity. On Friday 3rd December everyone will be invited to wear their own clothes and bring in a minimum donation of £1 each for SVP. This is a very high anticipated event within Sacred Heart and the School council are extremely excited for it.
3. Christmas- The pupils within the School Council suggested certain things we can do on the lead up to Christmas that we will go into in more detail with our next Student Council meeting. Today we discussed our Christmas plays and the School council are all very busy learning their lines!
