

Monday 7th February 2022 Student Council Meeting

Members present: Niamh Roche, Elsie Fitzpatrick, Lorcan Smith-Perez, Freya Cunningham, Oisin Carr, Eimear McIntosh and Niamh Valentine.

15 minutes today

Location: Primary 3 Classroom

Topics Discussed; New Playground, School fundraiser for the new playground and After School Club ideas for the next term.

New Playground

Today's main topic of discussion was ideas for the re-development of the school playground. We had a great chat about certain possibilities for the improvements to the playground at Sacred Heart. The Student council came up with the following ideas;

- To get the football pitch lined with white lines out in the playground.
- To get the Netball nets put up
- More footballs and tennis balls
- New hopscotch painted in the yard
- Another bench
- Race track marked out around the perimeter of the yard
- To get the clock re-painted in the yard which is positioned beside the play park

School Fundraiser

The School Council also came up with an idea to help fundraise money to go towards the re-development of the playground. The theme is to wear your favourite football jersey or favourite top in general if you aren't interested in sport. Children will all be asked to donate a minimum of £1 each.

After School Programme

The children are very happy with the after school programme and suggested the possibility of having a cookery class in the near future if possible.
