Re: Keep NI Beautiful Promotional Video

Dear parent/carer,

Keep NI Beautiful and the Eco-School's team will be visiting Sacred Heart P.S. on Thursday 19th September in order to collect footage for a promotional video for one of their campaigns, The Litter Less Campaign. This campaign aims to empower and assist young people in finding a solution to litter and waste problems in school. We have participated in this campaign twice in the past four years.

This is a great opportunity to promote the hard work that the Eco-Council do within our school. The team wish to film some interviews, with both adults and staff, and collect some footage of the children engaging in outdoor activities, including planting, play and litter picking.

Please complete the form attached in order to give your permission for your child to take part in filming. **Forms must be returned to you child's class teacher no later than Wednesday 18th September.**

Yours sincerely,

Miss Nadine Crozier (Eco Co-ordinator).
